Dear Arlington Republican Club Members,  
(12/01/09)

This is what we are going to do for our club's **35<sup>th</sup> anniversary** membership directory.  
Will you please help us?  
(the club was formed on 11/11/1975)

- 1) The book will be in full color...
- 2) Each member will be able to have their picture next to their name as part of the normal directory...
  - (a) you may provide your own picture on a .jpg file, which is preferred but not mandatory
  - (b) you may have your picture taken at the club
- 3) Each member will be able to buy a separate ad, next to their name, for any additional message or picture(s), as you may wish...
  - (a) you may buy additional space for political pictures or perhaps your family or favorite pet
  - (b) you may simply state a special 'congrats' for the long-term success of the club...
  - (c) you may even include your business information, such as 'XYZ Real Estate Company'
  - (d) cost is \$30.00 for each additional 3/4inch of space, which is close to double the normal space of a member's listing (about 5-horzonial lines from left to right)
- 4) As always, we are requesting you completely fill out this membership application form...
  - (a) First: please fill out all items for club officers to properly use, both home and business
  - (b) Then: indicate which items you wish omitted from the book, such as a home address or phone number for selected Judges and Assistant District Attorneys, etc.
  - (c) We will print or omit as you wish, but please make it as complete as you can
- 5) One last item please...
  - (a) We will of course sell our normal ads in the back of the directory, as always, and pricing is still the same
  - (b) You may provide your own ad in .jpg or .pdf format
  - (c) The **UTA Conservative Republicans** will custom produce an ad for you for a fee of \$100.00. We will split that fee with them
  - (d) Custom ad will then be provided to you in both the original ARC and generic styles; for your use elsewhere
  - (e) We will of course accept any sponsor(s) for the cost of this rather ambitious project. Are you interested? Please help us. Projected cost is close to \$1,500.00 to \$1,800.00 (at present).

Thank you,

Dale Attebery, Sr. Advisor
